## Parallel Tracks

# Onondaga Lake Restoration

# Community Visioning Process Summary

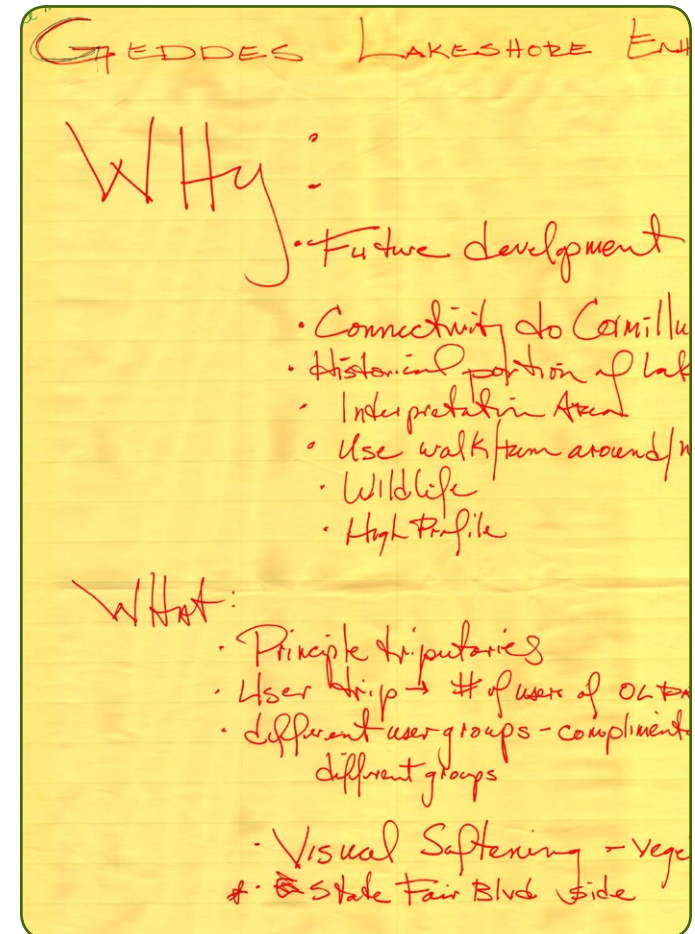

- **Small Focus Group Meetings**
  - 80+ community members; more than 100 suggestions
- **Reviewed Community Comments and Developed Concept Plans**
- **Enhancements begin Spring 2011**

Solvay Library meeting, October 2010

# Community Comments

- **Habitat Restoration**
  - Vegetation oriented (i.e. wildflowers, trees, shrubs)
  - Diverse and sustainable vegetation
- **Traffic Influence**
  - Allow for long-term access
  - Use trees and large shrubs
- **Visual Enhancements**
  - View of Onondaga Lake important to community
  - Transform to enhance community pride
- **Public Access**
  - Allow continuation of Loop the Lake Trail
  - Enhance community connectivity to lake

Community input captured
